Skate or Die

Summary: When Joanna is roped into LH's first skate boarding competition, and she has a feeling she doesn't have a chance guess who she turns to.

Time. 2 weeks after Joanna killed Neil;the sleazbag who raped Sandi,and gave her genital herpes.

Scene 1: We see the group eating lunch. Sans Sandi who is in the girls counselling group.

Daria: Hey Joanna shouldn't you be at your satanic ritual meeting place by now?

Joanna: You're absolutely right! I hear today we're sacrificing a virgin.

Jane:Aw! I wanna come too!

Joanna: Seriously got to go! (She gets up,dumps her tray. Then walks off, board in hand.)

Jane: Hmm she goes to those meetings yet I never know what for.

Brandon: Will she used to sniff inhalants.

Daria: She quit?

Brandon:Yeah after this one incident two years ago..

(Pan to flash back. The school PVHS. Joanna obviously under the influence of glue attempts to skate down the food court. She does o.k

until she reaches the stairs that go up. The board slips from beneath her ,and she flips over hitting her head.)

Joanna:Ow! God! that! hurt. (Her mind goes hazy, and she passes out. A minute later the drama teacher walks by. She looks then walks off applauding the "brilliant performance." Then her friend Jessie walks by, and sees her.

Jessica: Oh my God! Joanna are you O.K?

Joanna stirs groans. Then passes out again.

Jessica: I'll take that as a no. (Jessica runs to the nurses office. A few minutes later Joanna is carted into the ambulance.)

Back to Present

Jane:So she skating while under the influence of "glue"

Daria: SWS ,Sniffing while skating.

Brandon:Don't sniff,and skate.

Jane: (giggles.)

Scene 2: After school about 3:10 outside. We see the back of a figure on a board skating down a rail. He/she then flips the skateboard into a 360,and lands flawlessly. The figure turns around,and we see it's a male. Joanna, and Sandi walk by. This time Joanna has her hair up in a clip.

Joanna: So how are you coping?

Sandi: (Sarcastically) Oh I'm doing wonderful! My mom still has her head up her ass!,but all in all I'm doing so well.

Joanna:Now,now no need to get pissy. I know what'll cheer you up. (Whips hand into a dog puppet.) Reggie!(A)

Sandi looks at her funny.

Joanna: Reggie say hello to Sandi!

Reggie/Joanna: Herro,Randi.

Sandi: (Stifles a laugh.) Uh do I know you?

Joanna: Seriously though. You're mom's still being a conceited bitch?

Sandi: Yeah. She wants me to go out with.

Joanna:Who?

Sandi: A guy.

Joanna: Who's "a guy"?

Sandi: Just some guy.

Joanna: Will there are lots of "guys" There's "G1", and "G2". Then there's "G3", but he's gay.(B)

Sandi: Shut up.

Joanna: So how's the girls group going?

Sandi: You were there.

Pan to earlier that day. We see a group of girls in there with Ms Manson.

Ms Manson: Now we're going to go around the room, and introduce ourselves and then well say something we like that starts with the letter that starts your name.

Joanna: This is the stupidest thing I've ever heard.

Girl: Yo me a homie, and I like to cruise with ma homies. See we cruise around lookin for da pimps, and we get some "Smack" etc....

Back to present.

Joanna: Dammit we didn't even get to sacrifice a virgin.

Sandi: Oh goody.

(They stop at Joanna's house. Joanna lets herself in. Sandi follows. She then starts gagging.)

Joanna: What?

Sandi: Gad! What's that smell. Please say you're not cooking those "black peppers" (C)

Joanna: No I'm not. Umm uh get out. Fire! Bomb! Out out!! (Shoves Sandi out the door.)

Sandi: Hey wait aminute! (Too late. Joanna has slammed the door on her.)

Panm back into Joanna's kitchen. We see she's been mixing some chemicals. We see her about to inhale the chemicals, but she remembers the incedent 2 years ago.

(Back to Flash Back.) The screen is black. First Person POV as we see a white ceiling and lights. The screen goes black again. Pan away, and we can see Joanna in the hospital. She stirs then wakes up.

Joanna: Where am I?

Jessica: In the hospital.

Joanna: Huh? Why?

Jessica: You care to explain Dan?

Camera pans to Joe. He is tall, where's glasses, and has bleached

blonde hair. He's staring at the wall.

Jessica: Umm Joe?

Joe: (Snaps out of his trance) Huh? Oh I was staring at the walls.

Jessica: Duh!

Joe: Yeah, but haven't you noticed that all the bumps seem to form a pattern?

Jessica: Dan we don't give a shit! Tell Joanna why she's in the hospital!

Joe: Oh! You got a concussion. It's obviouse you were sniffing glue around the time.

Joanna: (Mind still hazy) Oh..that's..wonderful. (Laughs) Wow looky at the bumps. They do make pictures. Cool!

(Jessica, and Joe look at each other as if though she's gone nuts. Wait never mind she is nuts!)

Back to Present

Joanna exits the kitchen.

Scene 3: The Morgendorffer family eating. Dinner. A nice heary meal of Lasagna, but this one's special! It's all meat!

Quinn: (Picking at her lasagna in disgust.) Eew mom! Don't you know that meat is fattening?

Daria: Funny. The latest diet fad sais to eat alot of protein. You know meat.

Quinn: Ha! Ha! Daria very funny.

Jake: (Reading the paper) Hey kiddo! There's a skating contest going on!

Daria: Dad I don't skate.

Helen: Daria it would be a good idea to play a certain sport.

Quinn: Mu-om! Skate boarding is like so unfashionable. You have to wear those really baggy shorts, and chop off your hair, and eew!

Daria: Exactly.

Quinn: See even Daria agrees with me!

Helen: *sigh* Daria. Just for once I'd like to see you participate in something.

Daria: I am. I'm participating in my right to not do anything I don't want to do.

Helen: *Sigh*

Scene 4: Lawndale highschool.

We see a bunch of people gathered at the bulletin board. Daria, and Joanna walk up to Jodie.

Daria: Whats going on?

Jodie: There's some skateboarding competetion going on. Next Saturday.

(Joanna's ears perk up.)

Daria: Another way for Ms Li to when more publicity.

Jodie: Isn't obviouse? So I guess you won't be participating will you?

Daria: Have I ever?

Jodie: What about you? (points to Joanna.)

Joanna: Me?

Daria: No the dog next to you.

Joanna: Fuck You!

Daria: No thanks.

Joanna: Wasn't an offer.

Daria: Why'd you ask?

Joanna: Fine then Fuck Off.

Daria: Can't

Jodie: Guys could we stop with the fuck talk? Are you in this or not?

Joanna: Sure as hell I'm in it!

Jodie: O.K then sign up in the gym after school.

Joanna: By the way who else is doing this?

Daria: Your imaginary friends.

Joanna: (Forms the middle finger with her right hand, then whacks it with her left hand.) Remind me to sideswipe you.

Jodie: Guys! Do you have to fight? Anyways there is one other guy.

Joanna: O.K that's like cool. (She walks off.)

Daria: If you're going to ask if I'll be in it the answer is.

Jodie: (Cuts her off) No?

Daria: Exactly.

Jodie: O.K will then see you later.

Jodie walks off

Daria: Wee. I'm alone. Oh wait I still have the voices.

Ms Li: Miss Sunhymer. I have just been informed by Mrs Morgendorffer that as of now you have no family.

Ms Li opens the door. Pan back to Joanna before we can see who it is.

Joanna: Well according to the law you, and I are twins! So who gets to be the popular one, and who gets to be the depressed mopy one?

Sandi: You mean?...

Joanna:(Intterupts) Yeah. Hey cool Limp Bizkit! what other CD's you got? (Finds the CD rack.) Hmm BSB, BSB, N Stync, 5ive, 98 Degrees, Britney Spears, Orgy, Limp Bizkit, Korn? You like Korn?

Joanna: (Yelling back) NO! I WANT TO HEAR MY ROOM!! (To Sandi) I guess I'll see how cheery they made it.

Joanna walks down to where Tom is.

Tom: Here's your room.

Joanna looks at the room. It's just your average room. White walls, a bed, a desk, and a closet.

Joanna: Yes this place does need a few adjustments, but it'll work.

Tom: (A bit confused.) Umm O.K. Dinner'll be ready soon. So I guess get ready.

Sandi walks up.

Joanna: (To Sandi) Should I wear my expensive pink frilly ball gown to this casual event? (d)

Sandi: Yeah sure. So what're you going to do to this place?

Joanna: Put up a few posters. Some padded walls, put in my computer, Entertainment system, and my band shit.

Tom: Joanna, were just concerned. Are you having any problems?

Joanna: (Seething) Yes, I'm having problems. I'm having to console you're own daughter ever since she was raped, because you two always have you're head up your ass. I am getting sick, and tired of having

to comfort your own daughter everyday. That's your job. Not mine.

Jane as an alien

Joanna as an 8-ball

Quinn as Mimi

The Fashion Club as manequins

Brandon as Gabumon

And some more...

Authors notes.

Wow my longest story yet. I think. Took me a long time to write it. First I would like to clear a few things. Number one. I do not use inhalents, our shrooms. I have many friends who use them. Who have told me there effects so that's how I know.

This story was written to prove that not all Mary Jane's are invincible. Despite her hard surface Joanna has a weakness that is present in this story.

Now for my warped location of where Lawndale is. I personally think it's in Southeastern Colarado. Why? Well In "Speedtrapped" When Quinn asked them to go into Texas, and Daria said no. Quinn more or less said it was only 20 miles, and it wasn't like there parents would be pleased they were taking a 100 mile road trip. (I can't remeber if that's how it goes exactly.) So they couldn't have been in Texas to began with. Also the cop that Jane encounters, and the scenery looks almost eastern NM, western Texas. If you don't like me location. Tuff, Shit.

Also I know a lot of you have seen Jane, going with Tom on the show. Will this series started before that show, so Jane is sticking with Brandon. If you hate it. Tuff shit. Don't read it.
